DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 12/31/2009 has been entered.

Response to Amendment

2. Applicant's amendments, filed 12/31/2009, have been fully considered and reviewed by the examiner. The examiner notes the amendment to the claims to include the subject matter of claims 6 and 19 and the subsequent cancellation of claims 6 and 19. Claims 1-5, 7-18, 20-26 are pending in the instant application.

Response to Arguments

3. Applicant's arguments, filed 12/31/2009, with respect to US '136 and the presently amended claims have been fully considered and are persuasive. The 103 rejection of the claims has been withdrawn.

Specifically, the examiner notes the showing of the priority document illustrating the features of present claim 6, not included into the independent claims. Since the perfected filing date precedes the publication date of US '136, the reference no longer applies as a 102(a) reference for the instant application,

Art Unit: 1792

but would publication a 102(e) reference in a 103 rejection. Additionally, the examiner notes the statement under 103(c) to disqualify US 136 as commonly owned at the time of the invention.

Allowable Subject Matter

4. Claims 1-5, 7-18, 20-26 are allowed.
5. The following is an examiner's statement of reasons for allowance: These claims are allowed for the reasons set forth in the Remarks dated 12/31/2009.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DAVID TUROCY whose telephone number is (571)272-2940. The examiner can normally be reached on Tuesday, Thursday, and Friday from 7 a.m. - 6 p.m., Monday and Wednesday 5-8 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Timothy Meeks can be reached on (571) 272-1423. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
